

## SURVEY TECHNICIAN

Sewall is a full-service engineering, survey, GIS, and forestry consulting firm in its 142<sup>nd</sup> year of business. Headquartered in Bangor with offices in Yarmouth and Caribou, Maine, we provide professional services to a wide variety of private- and public-sector clients throughout the United States. Currently we have an opening for a Field Technician in our Survey group. This is an opportunity for the right candidate to be a part of a dynamic, high performing team with a reputation for knowledgeable, quality service and long-term client relationships.

Preferred skills and experience include:

- Associate Degree in a Drafting/Surveying related field is preferred
- Is interested in taking or has passed the Land Surveyor In Training (LSIT) exam
- Technological knowledge through training, project experience, and education
- Working familiarity with the equipment being used including total stations, data collectors, GPS units, computers, printers, plotters & cameras.
- Ability to interact with co-workers for project specific questions or concerns
- Demonstrates a solid working knowledge of skills required in the focus area to provide analytical or technical support for assigned projects, or portions of projects, with supervision
- Perform fieldwork necessary to conduct land surveys, topographic surveys, GPS control surveys and elevation certificates as assigned by supervisor or surveyor
- Proficient in field data collection using a total station and data collector, familiar with GPS equipment and collection methods
- Computer skills necessary to download and edit field data and process GPS data when assigned
- Working knowledge of AutoCAD Civil 3D is preferred
- Is self-motivated
- Takes the initiative to suggest and/or create changes that will enhance accuracy and productivity
- Works in the best interest of the Company
- Is honest, trustworthy, dependable, and respectful
- Adequately communicates, both verbally and in written form

We offer a competitive salary and a comprehensive benefits package.

Interested candidates should submit a cover letter and a resume outlining experience and credentials to [Rachel.Foley@sewall.com](mailto:Rachel.Foley@sewall.com). If you need assistance or an accommodation during the application process because of a disability, please contact Rachel Foley, Human Resources, at (207) 817-5475.

Sewall is an Equal Employment/Affirmative Action Employer.
