

CIVIL ENGINEERING TECHNICIAN

Sewall is a full-service engineering, survey, GIS, and forestry consulting firm in its 143rd year of business. Headquartered in Bangor, ME, with offices in Portland, ME, and Portsmouth, NH, we provide professional services to a wide variety of private- and public-sector clients throughout the United States. Currently we have an opening for a Civil Engineering Technician. This is an opportunity for the right candidate to be a part of a dynamic, high performing team with a reputation for knowledgeable, quality service and long-term client relationships.

The successful candidate will have the following skills and experience:

- ✓ 2+ years of experience with AutoCAD Civil 3D
- ✓ Drafting/design experience should include design of roads/highways, commercial development sites, subdivisions, etc.
- ✓ Other desired experience includes document quality control, quantity take offs and cost estimating, and field construction observation
- ✓ Working knowledge of Word and Excel is required
- ✓ An Associate's degree in a drafting/engineering-related field is preferred
- ✓ Position requires occasional travel

We offer a competitive salary and a comprehensive benefits package.

Interested candidates should submit a cover letter and a resume outlining experience and credentials to Rachel.Foley@sewall.com. If you need assistance or an accommodation during the application process because of a disability, please contact Rachel Foley, Human Resources, at (207) 817-5475.

Sewall is an Equal Employment/Affirmative Action Employer.
