PHOTO INTERPRETER

Sewall is a full-service engineering, survey, GIS, and forestry consulting firm in its 143rd year of business. Headquartered in Bangor with offices in Portland, ME, Caribou, ME, and Portsmouth, NH, we provide professional services to a wide variety of private- and public-sector clients throughout the United States. Currently we have an opening for a Photo Interpreter in our forestry group. This is an opportunity for the right candidate to be a part of a dynamic, high performing team with a reputation for knowledgeable, quality service and long-term client relationships.

Preferred skills and experience include:

- Associates degree or higher in forestry, natural resources, environmental sciences, or equivalent
- 2+ years' experience in forest inventory or other similar fieldwork
- Knowledge of tree identification and the Acadian forest types
- Working experience with ArcGIS or other GIS software
- Practical, hands-on approach to problem solving
- Ability to learn quickly and thrive in a production environment
- Must have vision ability to work with various formats of data, including differentiating color and seeing in stereo

We offer a competitive salary and a comprehensive benefits package.

Interested candidates should submit a cover letter and a resume outlining experience and credentials to Rachel.Foley@sewall.com. If you need assistance or an accommodation during the application process because of a disability, please contact Rachel Foley, Human Resources, at (207) 817-5475.

Sewall is an Equal Employment/Affirmative Action Employer.
